

Remit to the AGM for consideration:

A change to Table of Content 20H – *“Officers shall be elected by remote ballot in accordance with the procedure for giving notice.”*

to read: Officers shall be elected by remote ballot, postage or collecting papers from the bar.

All voting papers must have a membership number to be valid.

REASON

Many of our elder members do not use or know how to use technology.

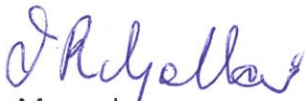

Postage is so unreliable.

If members are unable to vote remotely or their Voting Papers have gone astray in the postage system, they should be able to collect voting papers from the bar / club office.

Including the membership number ensures members are voting once only.

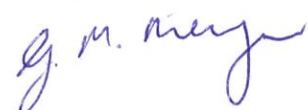

Ian (Jock) Gollan

Membership 1291
